Dear

On your last assessment at the nursing facility, you expressed an interest in moving back into the community. The Oklahoma Health Care Authority (OHCA) has a new program, Living Choice, that may be able to assist you in moving from the nursing facility to your own home in the community.

I have enclosed a brochure with more information about the Living Choice program and the services offered. If you are interested in the Living Choice program, please call the Living Choice toll-free number at 1-888-287-2443. Living Choice staff will answer any questions that you have about moving from the nursing facility to moving to your own home in the community.

If you or a family member would like more information about the Living Choice program, please contact Amy Bradt, Outreach Coordinator at 1-888-287-2443.

Sincerely,

Lathonya Shivers, M.P.A.
Director of Living Choice
