SUBJECT: EHR Incentive Survey

Dear SoonerCare Provider

Recently you received information about your opportunity to determine if you qualify for health information technology incentive payments under a new Medicaid electronic health record (EHR) Incentive Program.

For those who indicate they are using EHR technology in any way, a short follow up phone survey will be conducted to gain more information. Part of this process involves identifying how you currently use EHR.

Your input will provide the information needed to make incentive funds available to you and create a successful program. If you have questions, you may contact OHCA Provider Services at (800) 522-0114. Thank you for participating in this exciting process.
