Subject: Fluoride Varnish

Dear Medical Home Providers:

This is to inform you that the required online training for medical home providers who wish to utilize fluoride varnish has changed. Effective 7-1-2012: Course 2 - Child Oral Health & Course 6 – Fluoride Varnish is required; Course 7 – The Oral Examination is strongly encouraged. Please refer to the following website for courses:

<http://smilesforlifeoralhealth.org/default.aspx?tut=555&pagekey=62948&s1=1919013>

If you are currently trained and certified, you are not required to complete the above training. For Medical Home Providers who are not currently trained but wish more information please see OHCA 2011-32 for more information, just be aware the training site is listed above.
