Disproportionate Share Hospital (DSH)

OHCA PRN 2015-04

June 8, 2015

Dear Hospital Administrator/Chief Financial Officer:

This letter is to update you on the Disproportionate Share Hospital (DSH) payment. The FFY2015 3rd quarter DSH payment will appear on your June 17, 2015 remit.

Disproportionate Share Hospital (DSH) payments are payments made to SoonerCare participating hospitals that serve a large number of SoonerCare and other low-income individuals. In-state hospitals contracting with the Oklahoma Health Care Authority (OHCA) for SoonerCare services must file a DSH worksheet. In order to be considered eligible for FFY2016 payments, the worksheet must be returned by August 1, 2015.

You can access the DSH worksheet, instructions and additional information regarding distribution of funds on the OHCA public website at: <http://www.okhca.org/dsh>.

Follow the filing instructions provided with the DSH worksheet. Use the most current SoonerCare provider ID number when filing; we have listed the most current ID we have on file at the top of this letter but please refer to the OHCA website at the following link if unsure: http://www.okhca.org/excel/active%20drg%20facilities_2015%20for%20web.xls.

Hospitals that qualify for payment will receive notification by mail.

If you have any questions or require additional information please phone Jimmy Witcosky at (405) 522-7454 or email at Jimmy.Witcosky@okhca.org.

Thank you for your continued service to Oklahoma's **SoonerCare** members.
