### SHOPP Revision CY 2015

#### OHCA PRN 2015-13

October 6, 2015

Hospital Administrators:

This letter is to notify you that the payment amounts for the Supplemental Hospital Offset Payment Program (SHOPP) for calendar year 2015 have been revised effective October 2015.

The Oklahoma Health Care Authority (OHCA) initially recycled overpayment funds from two facilities and reallocated to all other facilities in the pool. OHCA is now aware that the hospitals were not overpaid and therefore the funds should not have been reallocated. The adjustment will be accounted for in the October SHOPP payment. OHCA will update the document on the web with revisions.

Also a reminder that due to the decrease in the federal matching assistance percentage (FMAP) in FFY 2016, the October SHOPP payment will change from prior CY 2015 payments.

OHCA has posted hospital specific assessment and payment information on our public website at [www.okhca.org/SHOPP](http://www.okhca.org/SHOPP).

Thank you for your continued service to Oklahoma's *SoonerCare* members. If you have any questions or require additional information please phone Aaron Morris at (405) 522-7533 or email at [Aaron.Morris@okhca.org](mailto:Aaron.Morris@okhca.org).

Thank you for your continued service to Oklahoma's *SoonerCare* members.
