

Third Party Liability Fast Facts

November 2017

SoonerCare is the payer of last resort in most circumstances. If another insurer or program has the responsibility to pay for medical costs incurred by a SoonerCare member, that entity is generally required to pay all or part of the cost of the claim prior to SoonerCare making any payment. This is known as "Third Party Liability" (TPL). Third parties include but are not limited to, private health insurance, casualty insurance, worker's compensation, estates, trusts, tort proceeds and Medicare. SoonerCare members with Medicare are also known as "Dual Enrollees". For more information go to our website at www.okhca.org.

All counts exclude Insure Oklahoma.
