

SOONERCARE FAX BLAST

Date: March 27th, 2007

Subject: NEW FAX NUMBER FOR MEMBER DISMISSALS ONLY

Provider Services has established a new fax number for providers requesting a member be dismissed from their practice. This number is maintained by the department's administrative staff.

Previously if your provider representatives are out of the office for an extended period of time, your request was not retrieved and would cause delays. The dismissal committee meets weekly and we hope this new fax number will allow us to process your request more timely and forward to the dismissal committee for review. Please note the fax number below:

405-530-3228

Subject: OEPIC-IP

When filing your O'EPIC claims for payment please remember to add your O'EPIC provider ID. It is the same number as SoonerCare but will have a different location code.
