Do you want the freedom that comes with living at home even though you have a long-term illness or disability?

This program gives Oklahomans, like you or your loved one, more options to manage your health care needs.

Who qualifies?

Individuals who currently live in a nursing home and qualify for SoonerCare.

This program is specifically designed for persons 19 years and older with physical disabilities, long-term illness and people with intellectual disabilities.

What information is needed to make a referral?
