**Flu Vaccine Coverage**

- Flu vaccines are available to members age 19 and older through both the SoonerCare prescription drug benefit and the medical benefit.
- Flu vaccines are not covered through the prescription drug benefit for members age 18 and younger. These members should receive the vaccine at a physician’s office through the federal Vaccines for Children Program.
- Flu vaccines administered by pharmacies do not count against a member’s monthly prescription limit.
- Pharmacies administering flu vaccines will be reimbursed the allowable cost of the vaccine and the standard prescription dispensing fee. Additional administration fees are not compensable.

Thank you for the services you provide to Oklahomans insured by SoonerCare!
