Age Breakdown of Total Enrollment

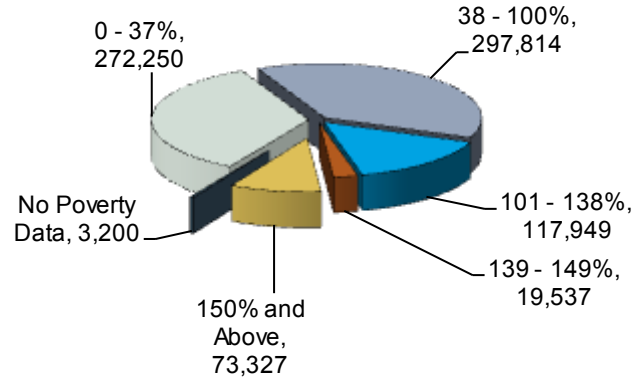

Data was compiled by Reporting and Statistics as of the report date and is subject to change. Numbers frequently change due to certifications occurring after the data is extracted and other factors. This report is based on data within the system prior to the report date. A majority of the data is a "point in time" representation of the specific report month and is not cumulative. Unless stated otherwise, CHILD is defined as an individual under the age of 21.

SoonerCare Fast Facts May 2016

Total Enrollment Trend

Percent of Federal Poverty Level Totals

The "No Poverty Data" group consists of members with no poverty data and members enrolled with an aid category of U- DDSD State, R2 - OJA not incarcerated, or R4 - OJA incarcerated. These aid categories do not require poverty data or do not use the poverty data.

Budget agreement

Against overwhelming circumstances, the governor and the legislature are protecting health care access for thousands of Oklahoma kids, pregnant moms, seniors and individuals with disabilities. We are incredibly grateful for their hard work. Their budget agreement focuses on protecting the health care of Oklahomans, and nearly fills the required budgetary needs of our agency. It is now time for the Oklahoma Health Care Authority to deliver on leadership's priority declaration and minimize the impact to the health care professionals we count on to serve our SoonerCare members. If this budget is approved, it may be close enough for OHCA to avoid any additional provider rate cuts by first looking at deeper administrative cuts and current savings. – Nico Gomez, OHCA CEO
